Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1. (Currently Amended) A portable desk comprising:

a base defining a storage space;

a top portion hingedly attached to the base and movable between an open position and a closed position;

two legs positioned at opposing end portions of the base and pivotally connected to the base, each leg of the two legs pivotally movable between a retracted position and an extended position, each leg having an outer surface forming a recessed portion in a center region of the outer surface, the recessed portion extending with respect to the base and forming a handle within each leg; and

at least one snap element locking each leg to the base in the extended position.

2. (Original) The portable desk of Claim 1 wherein the storage space has a plurality of compartments formed by at least one integrated support wall
